As regards journeys beyond jurisdiction the same provision occurs in two places in our Regulations namely the same way as it did in the Revised Edition of the British Service Regulations. The Comptroller proposed to omit article 537 and to make the necessary amendments in article 571 as far as applicable and in conformity with the provisions in the corresponding Edition of the British Regulations.

The Revenue Court is not provided for specially mentioned as he comes under the general expression "Head of Department."

The proposed note to article 611 deals with an exception to the provision stating

in the same way as
the body of
article 612 vehicle
therefore seems to be
the more appropriate
place for it - I would
accordingly amend
the note and in
article 612 add
after "Public Works
Dept" the words
"and of Establish-
ments of all local
Revenue officers other
than Deputy Commissioners"
and after "Respective Depts" the
words "or of the Deputy
Commissioners concerned
as the case may be".

The note proposed to
be inserted under
article 610 may be
abbreviated with the
omission of "Sub Divi
-sional Officers" and
the addition of "Deputy
Commissioners".

From

E. R. SUBRAYER, Esq.,

Offg: COMPTROLLER, MYSORE GOVERNMENT.

To H.V.Nanjundayya, Esq., M.A.M.L.
THE SECRETARY TO THE GOVT. OF MYSORE,

General and Revenue DEPT.S

SIR,

I have the honor to submit herewith for the approval of Government Addenda & Corrigenda to the Mysore Service Regulations as required by Para 3 of Government Pro: No.920-9 dated 26th November 1903.

2. In the 4th Edition of the British Service Regulations Articles 1136 to 1140 of the 3rd Edition which provided for the sanction required for journeys beyond jurisdiction and which correspond to Article 537 of the Mysore Service Regulations have been omitted as Articles 56 to 59 of the 4th Edition corresponding to Articles 71 to 75 of the 3rd Edition of the British Service Regulations and Articles 50 & 51 of the Mysore Service Regulations appearing in Chapter III dealing with the general rules for regulating allowances answer the same purpose. In the Mysore Service Regulations also Articles 50 & 51 about leaving jurisdiction provide for the case of all allowances including Travelling allowance and I beg to suggest therefore that Article 537 be omitted from Chapter XXXII. Article 72 of the 3rd Edition of the British Service Regulations corresponding to Art: 51 of the Mysore Service Regulations has however been omitted in the 4th Edition of the British

British Service Regulations and I beg to suggest in place of the latter (i.e.Article 51 of the Mysore Service Regulations) Article 58 of the 4th Edition of the British Service Regulations with slight modification may be adopted. Para 2 of Art: 537 is unnecessary as Travelling allowance bills of all Police Establishments requiring the countersignature of the Inspector General of Police under 612 Mysore Service Regulations.

Article 51 as now proposed would provide for all cases of leaving jurisdiction and the sanction of the Revenue Commissioner for journeys performed by Revenue officers beyond their Districts but within the province would be accorded under this Article.

I have the honor to be,

Sir,

Your most obedient servant,

H Cagle

Offg: Comptroller.
